Football Finalists!

Our brilliant footballers did a superb job at Arkholme on Wednesday. Well done to Adam, Owen, Bailey, Jimmi, Dylan, Jack, Wyatt and Jonathan!

Match Report written by Jack Edmondson

On Wednesday 6th February our school attended the Arkholme Lune Valley Cluster Schools football tournament and did very well as we were the only Year 5/6 team with Y3/4 also.

In our defence were Wyatt, Adam and Dylan. Centre forward Owen and Jimii and Johnny and Jack in the middle.

Our first match was against Tatham Fells and we won 4-0,

Owen scored an amazing hat trick and Jack scored on a header. With boosted confidence from the first game, we then battled it out against Melling and got a 1-1 draw with Jack scoring a tremendous free kick. We then had a break with some biscuits and juice. Our next group match was against Wray who had a great goalkeeper but we worked well as a team and scored 3 great goals to get the win.

Our final group match was the decider to get into the final, this was a tough match and our defence was outstanding and we won 2-1. Without a rest, we went straight into the final against Hornby.

After a team talk, we felt positive about going into the match. It was a nail biter after both teams attacking and defending well. After 7 minutes we went into penalties! Owen stepped up to go in goal but unfortunately we lost on penalties. We kept our heads held high and are proud of our team's performance. A big thank you to Mr Smith who kept us calm and was our biggest fan.

OUR NEW SCHOOL RULES

To tie in with this half term's focus on the British value Rule of Law, we have asked the children what they think our school rules should be. All children from Reception to Year 6 have shared their brilliant ideas and here is the final set of school rules, incorporating the best.

- Be honest
- Be hardworking
- Be kind
- Be a listener
- Be respectful
- Be brave

On Monday, we have two magistrates in school, running a workshop with the whole school, teaching us more about the Rule of Law and how a courtroom works.

Safer Internet Day

Thank you to all those parents who attended our online safety workshop on Wednesday evening. Your feedback forms confirmed how useful it was. Thank you also to Richard Prescott for such an informative session. A Powerpoint of Richard's presentation is now on the website.

COMING UP NEXT WEEK...

Class 1

Our amazing castles topic comes to a close next Friday with a medieval banquet, to which you are all invited. You will be receiving your invitation today and I would be grateful if you would R.S.V.P. So we can plan catering. If anyone is free to help set up from 1.30pm I would be very grateful for the help. This will be the last week for any activities from the learning log and prizes will be awarded at the banquet.

Class Novel - The Sheep Pig by Dick King Smith

Maths - We will be counting in twos this week and talking about odd and even numbers. We already have pairs of socks hanging in the classroom so helping sort sock and counting the number of sock and pairs would really help this.

English - we are taking a non-fiction theme this week and writing instructions on how to build a castle - after seeing so many amazing castles this should be a breeze!

Topic - To finish the topic we will be preparing for the banquet and greeting ready to show off all that we have learned.

Music - The song we have been learning maybe ready to perform at the banquet - we will be working hard on this!!

Homework

Thank you for all the work brought in so far for the learning log - a reminder this is the last week.

In reading folders of this next week, flashcards with carefully chosen words will appear - please take this time to whizz through them, encouraging the children to sound out ALL the sounds before blending - some may be made up words or alien words as we call them to ensure that the children are consolidating their sounds and not just guessing the word.

This skill really helps with their writing and spelling,

READING FOR JUST 10 MINUTES CAN REALLY MAKE A DIFFERENCE TO A CHILD'S LEARNING AND CONFIDENCE. (If you are having any problems with this, please do come and see me).

Have a good weekend.

Mrs Keen

Class 2

Class novel: Journey to the River Sea by Eva Ibbotson

Well done to Owen, Ezekiel and Wyatt, the winning team in our I'm A Celebrity challenge on Monday. Owen was incredibly brave eating most foods and the team built a fabulous den. Aless, Jack and Johnny also deserve special mentions for their bushtucker trial.

Next week:

English: adventure stories Y2/3; debate about deforestation Y4/5/6

Maths: Y2/3 adding and subtracting amounts of money; Y4/5/6 decimals and percentages

Geography: We will be learning about rainforest creatures and the impact of deforestation on their habitat

Art: Rainforest art using pastels

RE: The story of the fall in Genesis and how this could be understood by Christians

Mrs Walker will be in class on Monday and Tuesday and Mrs Bowskill Wednesday to Friday.

Homework

Please continue to support your children in learning their spellings in preparation for their weekly Friday test.

Well done to **Max, Adam, Isaac, Johnny, Jack and Dylan** who gained full marks this week!

Please keep up the times tables practice and reading at home and just a quick reminder to sign the record books!

Have a lovely weekend.

Mrs B

DIARY OF EVENTS - SPRING TERM 2019

Date	Event	Action	Who
12/02/19	Parents' evening, 3:15pm onwards	Save the date. Slips with timings on have been sent out.	All
