SPORTS HALL HIRE

We currently have Tuesdays, Wednesdays and Friday after school available for regular bookings for our Sports Hall. Have you outgrown your venue? Do you need more space and facilities? Call 01524 770104 for more information.

WORLD BOOK DAY

Thank you to everyone for making such an effort with costumes. The day was a great success with our visiting author, Rob Bullock who ran workshops for the children and officially opened our new library. Huge thanks once again to the PTA for raising the funds to make this possible.

SPORTS UPDATE

Congratulations to Aless, Jack, Johnny and Owen who all competed in the smalls schools swimming gala on Thursday evening. They swam brilliantly and made it to the finals.

RED NOSE DAY - 15th March

We're really looking forward to *Caton's Got Talent* next Friday. Please note that this will be not be open to parents so that the children don't feel any pressure in front of a big audience. However, if you would like your child recording, we can do that and let you have the recording. Please send children to school with crazy hair or hats in return for a donation of £1 for Comic Relief. Red noses will be on sale for £1.25. We will also be holding a cake sale at the end of the day and cake donations would be greatly appreciated.

THANKYOU

Thank you to the Infinity Pre-school and the PTA who have helped to sort out the kitchen and storage cupboards in the sports hall.

Also, thank you to WCF at Cloughton who have kindly donated some plants and compost for out school flower pots.

FOOTBALL SHIRTS FOR A GOOD HOME

We have 9 football shirts (black and red) that are free to a good home! All are size 12/14. No numbering on them. Contact Tracey Howarth if you would like them,

COMING UP NEXT WEEK...

Class 1

Maths - this week we have measured length and compared weight. We will be weighing and comparing weight, we are planning to take this into our outdoor kitchen to make some mud recipes.
 English - Due to a change of plan for leading up to World Book Day, this is what we are doing this week! Using the book 'Whatever next' to introduce our space topic we will be starting to find facts about space to write an information piece. Some of us will be thinking about the conjunctions we use in our sentences.
 Science - Planets, sun, moon and stars - our space station is now open, we will be developing writing in this area, writing about where we are going and what we can see from the windows in our space station. We will be talking about the sun and what it gives us and how it can be dangerous.
 Music - The round song is going well, we will be adding instruments to our song this week.
 PE - Ball skills - throwing, catching and rolling building up to team games.
 RE - We are going to begin to learn about the build-up to Easter, considering what Christians think about during Lent.

Junk model materials are always welcome - tubes and small boxes are most useful - I am sure we will be building rockets over the coming weeks.

Mrs Keen

READING FOR JUST 10 MINUTES CAN REALLY MAKE A DIFFERENCE TO A CHILD'S LEARNING AND CONFIDENCE. (If you are having any problems with this, please do come and see me).

Class 2

Maths: Y2/3 - addition and subtraction in the context of statistics; Y4/5/6 - fractions decimals and percentages; converting units of measure
English: Y3 are reading Aesop's Fables- learning about moral stories and sayings.
 Y4/5/6 are reading There's a Boy in the Girls Bathroom looking at friendship and dilemmas
Science: Plants, class 2 will be experimenting with the effect of different conditions on plant growth and looking at the different ways we use plants, from clothing to medicine.
Design Technology: We will be testing different materials to see how waterproof they are and beginning to design our own outdoor notebook case
PE: Tennis and Bollywood dancing
French: As-tu un animal?
Computing: Digital photography and recording
Music: Singing with Mr Hewitt
