## STAFFING

We are absolutely thrilled to announce that Emily Keen has been appointed as our permanent Class 1 teacher. We know that families will be delighted to hear this news as Emily has already made a big impact in Class 1 where the children are such enthusiastic learners.

## SPORTS UPDATE

*Our tag rugby teams played well at Wray on Wednesday. This was a new sport for many of the children and they demonstrated great sportsmanship. Well done!*

## PE KIT

Lots of our children do not have PE kit in school. Please ensure that a full kit is in school at all times as PE days can change. Often time is spent looking for kit and therefore missing PE time. Thank you.

## COMING UP NEXT WEEK...

### Class 1

Maths - Using pictures and number lines we will be consolidating our subtraction. We are also focussing on our number bonds to 5 and 10 - everyone has taken home a challenge card and is excited to be working towards their awards.

English - this week we will finish our space topic by writing some amazing stories - let's see what lands in Class 1 this week!

Science - Finishing off our topic we will be asking ourselves what we have learned and checking whether we answered all the questions we asked at the beginning of our learning this half term.

Music - The round song is going well, the glockenspiels sounded fab and we are getting very confident with percussion instruments.

PE - Ball skills - throwing, catching and rolling building up to team games. In gymnastics we are going to be looking at different ways of travelling across the floor.

RE - We will be following up our RE lesson with our visitor we will be considering how Christians reflect on the Easter story.

Mrs Keen
