Driving on Broadacre

Out of consideration to local residents, please could we ask all adults to drive slowly along Broadacre, and to avoid blocking driveways when parking.
Thank you.

First aid training

All our children received basic first aid training on Tuesday from Mini First Aid. They learnt how to put someone in the recovery position, how to carry out the Heimlich manoeuvre and how to resuscitate someone and how to call 999.

CLUBS

A letter about clubs has gone home tonight. Please note that clubs start in week 2, apart from cricket which will start in week 1.

A message from the teachers...

Class 1

Our Space topic is now complete and we finished with writing a story about our very own alien, Quoogle. I am sure the children need a well earned rest now. Over the holidays, the children will be challenged to read as much as possible; it can be their own books, library books, leaflets, comics, newspapers, signs - the list is endless. Please support them - research has shown that confidence in reading at an early age has a massive impact on acquisition of vocabulary and in turn on achievement in life. Please use their reading diaries to note down any reading moment and keep 'word hunting'.

I wish you all a relaxing and restful holiday.
Thank you for all your support.

Mrs Keen

READING FOR JUST 10 MINUTES CAN REALLY MAKE A DIFFERENCE TO A CHILD'S LEARNING AND CONFIDENCE. (If you are having any problems with this, please do come and see me).

Class 2

Well done to **Johnny** for gaining full marks in his spelling test this week.

Times Tables Rockstars of the week are:

Year 3 - Dylan Clegg

Year 4 - Isaac Parsons

Year 5 - Jack Edmondson

Year 6 - Aless Heywood

A special mention for **Jack Edmondson** who has stormed ahead with a score of 115,000.

Keep up the word hunting over the holidays and let's hang onto that trophy!!

Thank you to the children for all their hard work this term and to parents for your support. I wish you all a very happy Easter break. Mrs B.
