

Thursday 10th February 2022

Dear Parents,

I am writing to invite you to our online safety workshop for parents, which will be led by an industry expert and will take place on **Tuesday, 15th March 2022 at 7:30pm on Zoom.**

Children are using the internet and technology at earlier stages in life, they can access a wide range of apps, games and online sites and they are spending a large percentage of their life looking at screens. Did you know that alarmingly 1 in 4 children have experienced something upsetting on the internet? Sometimes in life we all can become complacent, thinking it will not happen to our family. Unfortunately, there are many ways in which your child can be subjected to inappropriate content.

We know that as parents, you understand the importance of staying safe online and equally how difficult technology can be to monitor. This is why we would like to provide you with some support.

### **Zoom details**

**Topic:** 1025 Caton Prim Online safety briefing
