

Friday 15th July 2022

Dear Parents,

Educational visit to London

In the new academic year, we are planning an educational visit to London for Years 5 and 6.

The trip will depart on Sunday 16th October in the morning and return on Monday 17th October in the evening. We will travel to London by train and stay overnight in St Paul's Youth Hostel. Children will be very closely supervised with an adult to child ratio of 1 to 5. Mrs Bowskill and Miss Whinnett will be leading the trip.

The itinerary has yet to be finalised but we expect that it will include:

Houses of Parliament tour
Sightseeing, including Buckingham Palace, Trafalgar Square and Covent Garden.
A cruise on the River Thames
A tour of the National Gallery
A West End musical

This is a trip that we have run previously with great success. The children learn so much in such a short time and it is one of those unforgettable life experiences that stays with them forever.

The total cost of the trip will be approximately £135. This can be paid in instalments with an initial deposit of £25 due by **Wednesday, 20th July**. Please complete the reply slip overleaf and pay the deposit on ParentPay to reserve your child's place. Once you have paid the deposit, we will provide a further payment schedule. Please note that we are finalising bookings (which are non refundable) over the summer holiday and therefore if the deposit is not received before we break up, we cannot reserve a place for you child.

We recognise that this is short notice but the parliament slot has just become available (9:15am on Monday 17th - the only slot between now and Christmas, hence the Sunday departure) and we think that it would be wonderful for your child to experience the delights of our capital city. We hope that you do too!

Yours sincerely,

Gail Bowskill
