The Playground

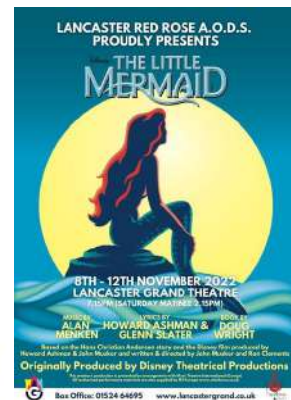

Please note that dogs are not allowed on the playground and must be kept outside the school grounds at the beginning and end of the school day. Thank you for your co-operation.

Open Day Arrangements

Thank you to everyone who has said that they will attend the open day. Years 5 and 6 will have specific jobs to do on the day so please could we have them in school at 12:45pm prompt, in uniform, ready to be briefed before we open at 1pm. If they can stay until 3pm, it would be greatly appreciated. For anyone bringing pre school friends or family along, there will be tours at 1:30pm and 2:30pm. At 2pm there will be a special gathering in the sports hall when our older pupils will perform and give speeches. Please support them!

PTA NEWS

Treasure Hunt

This event will start from school, straight after the Open Day, at 3pm on Saturday, 24th September. It will be on foot, around the village, ending at The Ship Hotel for tea at around 5pm. This is a wonderful opportunity for families, old and new, to come together for the first social event of the school year and to have the chance to win a fantastic prize - *four front row tickets for **The Little Mermaid**, at Lancaster Grand Theatre!* The cost to participate is £5 per family and can be paid on the day. Anyone who would like to eat at The Ship, can pre order their food at 3pm. A copy of the menu is attached at the end of the newsletter.

Can we also ask that adults and children coming to school on bikes and scooters dismount at the entrance and walk across the playground please.

Parking

Please ensure you park considerately when dropping children off and do not block residents' driveways. We have had complaints from residents who have been unable to get out due to parents' cars blocking them in.

After School Club

Just a reminder of the ASC phone number in case you are held up and need to notify us.

Class 3 STEM workshop with Lancaster University

This week, Class 3 took part in a workshop with Dr Wise, who visited us from Lancaster University's School of Engineering. To begin with, the children discovered how to fit up to 14 children through one piece of A4 paper! They were then read an alternative version of Hansel and Gretel and were challenged with sending a letter as quickly as possible from the witch to Hansel and Gretel. They were given a bucket of materials and had to develop a transportation method that could take their letter down a zipline. Throughout the morning they showed fantastic teamwork and ingenuity and were very proud of their inventions.
