

Personal Social Health and Economic Education

Intent and Aims

PSHE helps children and young people to be safe, healthy and prepared for life's opportunities.

Learning opportunities for each key stage are spread across three core themes:

- Relationships
- Living in the wider world
- Health and wellbeing

We deliver a sequenced, spiral programme that builds on prior learning (starting in EYFS) as pupils progress through school, based on the PSHE Association Scheme of Work, including statutory relationships education as well as non statutory content such as economic wellbeing and personal safety. Learning takes place through discrete teaching, in lessons and assemblies, through visits and visitors and through other curriculum subjects such as science and RE.

Our PSHE curriculum addresses all aspects of safety, teaching pupils about safeguarding, including online safety and different forms of abuse and the importance of discussing concerns and respecting others. The curriculum is also very much tailored to our pupils' needs, fulfilling the commitment we make in our 'Caton Passport' and reflecting our mission to enable every child to 'be prepared for life's opportunities and challenges'.
