World Book Day - 2nd March

The staff at Caton are excited to invite you, our parents and families, into school on World Book Day.

Throughout the day, the children will be transforming their classrooms into the living embodiment of a chosen Roald Dahl or Julia Donadlson book. We are thrilled to invite you into school at **2.45pm** so that you can see their wonderful work. From **2.45-3.15pm**, you can spend time chatting to your child(ren) about how they have transformed their classroom and share a story or two as well.

Upon arrival at school, please report to the main school entrance where you will be taken to the relevant classroom. Feel free to show your enthusiasm by dressing as your favourite children's book character!

Turkey Earthquake Appeal

Well done to all our children for their fabulous efforts on the obstacle course on Tuesday afternoon and for racing against their teachers (or Headteacher!). Thank you everyone for all the sponsorship that had been sought to support the appeal. So far we have raised £369, with quite a few more pledges to go. Please could all sponsorship money be collected by next Tuesday 28th February.

Spring 2 'I Love Reading' Competition

This half term's 'I Love Reading' competition is focused on celebrating 30 years of Julia Donaldson and Axel Scheffler, as well as the much loved author, Roald Dahl. In addition to dressing up as a beloved Donaldson or Dahl character for World Book Day, we would like our school community to write a book review of their favourite book by either author. Your book review should contain the following:

- book title
- a short summary of what the book is about
- number of stars out of 5
- why you love it
- who you would recommend it to and why

The most inspiring entries will be added to the school library displays to encourage others to give your recommended books a read.

Tree Identification Walks

Classes 3 and 4 were lucky to enjoy guided walks with the Lune River Trust this week. They learnt to identify many different trees and why trees are good for rivers.

Yoga

On Monday, each class took part in a short yoga lesson, funded by the NHS. During each session, the children were taught how to breathe slowly and deeply; focus their attention on their bodies; move between and hold a variety of poses; and how to take a moment to be calm and still. The children were fantastic and loved every moment of relaxation.
