

Friday 10th February 2023

Dear Parent(s),

I am sure you are all aware of the tragic earthquake which hit Turkey on the 6th February and the ongoing humanitarian disaster that has followed.

As a school we have decided to run a sponsored obstacle course to raise funds for the victims of the earthquake. This will take place on Tuesday 21st February in the afternoon. The children will see how many times they can make it around an obstacle course on the running track in 10 minutes. To add an incentive they will be competing against their teachers!

We ask that you collect as many sponsors over half term as possible. We suggest a minimum donation of £1 per sponsor for taking part and another 50p for beating their teacher if they need the incentive, but as always whatever you can manage will always be welcome.

I am sure you will all agree that this is a worthwhile cause and we thank you for your support.

Yours sincerely,
