If you'd like to see Mr Kilby dressed up as a dinosaur, then our Easter egg hunt after school next Thursday is not to be missed! The cost to take part is £2.50 to be paid on the day.

Science Week

Last week was British Science Week. Over the week, the children learnt about a famous scientist or a scientist 'just like them'. We discussed what their work involved and decided whether we would like a job like theirs. The children then took part in a range of activities focused around unique and exciting science topics. Class 3 made their own seismometers after learning about how they are being placed in Antarctica. They used all four areas of STEM (science, technology, engineering and maths) to build a model that worked efficiently. Class 4 conducted an investigation into fingerprints, learning about their unique patterns and how we can get a clear look at them. Class 2 learnt about the botanist Agnes Arber and drew observational drawings based on her work. It is safe to say that we have some budding forensic scientists in our midst!

Class 1 Assembly

Please come and join Class 1 next Friday at 2.30 for their class assembly on the theme of "Dear Zoo"

They will no doubt be amazing and will certainly appreciate your support.

Join us on the Catwalk!

Class 4 are very much looking forward to their French fashion show next Thursday at 2:30pm. Please join us - everyone is welcome!
