Caton Gala

Thank you to everyone who came along and represented our school at the gala on Saturday, in the parade or singing on the stage. You all looked amazing! Special congratulations to Harrison and Rose who were part of the Gala Queen's retinue; to Adie who won the fancy dress competition; and to Finley whose design was featured on the front cover of the programme. Thank you also to parents and governors who helped to man our stall.

We were delighted to hear on Tuesday that we have been awarded the Primary Science Quality Mark for excellence in science teaching and learning. The application process was a rigorous one so we are thrilled that we were successful.

Life Education Visit

On Wednesday, Steve from the Life Education team came into school to work with all classes on a variety of subjects in the PSHE curriculum.

Class 1 learnt about the body, what happens to our food and how we get energy.

Class 2 thoroughly enjoyed learning all about our wonderful body, including our fantastic heart, digestive system and lungs. We learnt about how exercise can make our heart stronger. A great experience.

Class 3 learnt all about our brains, understanding how they work and how they control our actions and emotions.

Class 4 learnt about the human body including how the heart and brain function. We also learnt how to handle difficult friendships and, through drama, how to say no.

Sports Day

What a Sports Day we had on Tuesday! Throughout the morning, the children competed in their colour teams to win as many points as possible. They had to run, jump, throw, aim, balance and power their way through a variety of activities. A particular favourite was an activity in which the children had to transport water from one bucket to another in a cup filled with holes! At lunchtime, the sun came out and set us up for a glorious afternoon. Each of the races in the afternoon was filled with smiles and competitive camaraderie. The children (and parents) raced brilliantly and thoroughly deserved their moments in the spotlight. Huge congratulations go to the Blue Team for their overall win, Yellow Team for their fantastic sportsmanship and to every child who took part. Thank you everyone for a fantastic day!

Goodbye Mrs Preston!

Today we said goodbye to Mrs Preston who has done a wonderful job looking after the children at lunch times. We wish her good luck in her new job and thank her for her contribution.

Happy Half Term!

We wish all our families a very happy, safe and sunny half term. Please remember that we do not return to school until **Wednesday, 7th June.**
