

Thursday 18th May 2022

Dear Parents,

We are pleased to inform you that, on Tuesday 20th June, all Key Stage 2 children will be heading to Manchester to visit The Museum of Science and Industry. The Science and Industry Museum is a fantastic place in which children can explore a myriad of scientific and technological inventions, ideas and people.

During the visit, the children will get hands-on experience in a range of topics including food and diets, electricity, machines of the industrial revolution and many more. The museum is renowned for its informative and enjoyable exhibits that we know all of our children will love.

As we will be out of school all day, your child will need to bring a packed lunch for the trip and a suitable backpack to carry it in. If your child is in receipt of free school meals, a school packed lunch will be provided. However, if you would prefer to bring your own, please let us know in advance. Can you also please ensure that your child brings a water bottle with them.

Reception, Class 3 and Class 4 will all be visiting the museum on the same day and will travel via coach to Manchester. Class 2 will also travel on the coach but will instead be visiting Bridgewater Hall. On the day, we will be leaving school promptly at 9.00am and are aiming to return by 3.15pm. As always, should there be any delays in travel, you will be informed via text.

To enable the trip to go ahead as planned, we are kindly asking for a voluntary contribution of £10 per child. This should be paid via ParentPay. In addition, please ensure that you have returned the below permission slip by Wednesday 24th May.

Kind regards.

Mrs Cain and Miss Whinnett
