Hair

Please could we politely remind families that hair that reaches the shoulders should all be tied back, not just a part of it. Thank you.

Wizard of Oz Tickets

We are delighted to announce that tickets for the summer production of the Wizard of Oz are now on sale at a price of £2.50. Please pay on parent pay and then collect from the school office. The children are working incredibly hard to create yet another spectacular performance which is not to be missed.

Sensational Science at MOSI

We had a fantastic trip to the Manchester Museum of Science and Industry on Tuesday. Every year group, from Reception to Year 6, had the chance to get hands-on with the weird and wonderful exhibits. The children thoroughly enjoyed the live science show and arrived back at school with smiles on their faces. A big thank you to all of the staff and volunteers who made it a wonderful day and to the children who showed respect, kindness and patience to the children around them.

Animal Adventures at the Bridgewater Hall

On Tuesday, Class 2 had the privilege of watching and taking part in the Animal Magic concert with the Halle Orchestra at the Bridgewater Hall in Manchester. They went on an animal safari, inspired by Saint Saëns' "Carnival of the Animals" and sang their hearts out in two audience participation songs. Seeing and listening to a live orchestra was a fantastic experience and it was an experience they won't forget!

Class 2 letters from Oz

Class 2 children were very excited this week to receive replies to the letters which they sent to children from a school in Port Douglas, Australia. They learnt that Port Douglas is 9 hours ahead of the UK; that the weather is mostly sunny and gets up to 35°C in the summer; that the great barrier reef is home to a lot of different plants and animals and that most of the houses in Queensland don't have stairs!
