GOODBYE AND GOOD LUCK

Today we said goodbye to our wonderful Year 6s. Their leaving assembly reflected what accomplished young people they have become, ready for their secondary school adventure.

We're very proud of each of them for so many reasons: the hard work they have put into their lessons over the years; the kindness and friendship they have shown to others in school; the confidence they have mustered to perform on the stage; the independence they have shown on trips away from home; the way in which they have represented our school at external events; and maybe most of all, the fun and laughter that they have shared. What we hope they have gained as part of our school family is confidence, values, self-belief and a sense that they are unique and precious individuals who have something to share with this world. As they leave, they will take with them their memories of learning with laughter. Caton Primary School is just a small part of their pathway but we hope it has made them ready to take on the exciting challenges that are ahead. Good luck Year 6!

CLASS 3 RIVER TRIP

On Wednesday, Class 3 had a wonderful, sunny trip to the River Lune to carry out their geography fieldwork. Whilst at the river, the children used their knowledge and skills to produce fieldwork sketches and to conduct investigations at the water's edge. The trip was a brilliant way to end a fun-filled year.

OPEN AFTERNOON

We will be holding our first open afternoon of the Autumn term on Friday, 15th September. Parents are welcome to visit and see the school in action and to have an informal chat with teachers about how their children have settled in. Prospective parents are, of course, very welcome too and tours of the school will be available. Please pass on the news to families you know who have young children.

A MESSAGE FROM MRS BOWSKILL

As the academic draws to a close, I would like to express my gratitude to a number of people:

- To parents for your unstinting support - we send out a lot of messages and there is so much to remember. You do an amazing job!
- To our wonderful PTA who work so hard to provide enjoyable social events and to raise much-needed funds for school.
- To our brilliant governing body who give of their time so generously and genuinely care about our school.
- To the amazing staff team who go above and beyond for our pupils every single day.
- To each and every child for making our job the best job in the world.

I wish you all a wonderful summer break and look forward to seeing you all again on Monday, 4th September.
