## Borwick Hall Residential

At the beginning of the week, Class 3 attended their biennial residential to Borwick Hall. After arriving on Monday, we quickly got to work making our beds and selecting waterproofs for the day ahead. After wrestling ourselves into our trendy new waterproofs, we headed up to Kirby Lonsdale for some caving. We spent the morning exploring a small show cave, wading through the stream that ran through it and squeezing through small side tunnels. In the afternoon, we headed back to Borwick Hall to dry off and turn our hand to some indoor bouldering and caving. In the evening, we had some free time to explore the grounds at Borwick whilst Mrs Cain, Mrs Moss and Mrs Bowskill stoked a fire so that we could roast some tasty marshmallows... yum yum!

We were up bright and early on Tuesday morning. Thankfully the weather was much improved so we headed down to the canal to try canoeing and dragon-boating. After a little practice (and a lot of crashing), we rowed along the canal, taking in the sights until we got to Tewitfield. Here, we took a stroll to look at the disused canal lock and to swap over boats for the journey back. By the afternoon the sun was really beating down on us. Our final activity was a scramble to the top of Warton Crag where we stopped to admire the views over our beautiful bay. Throughout the trip, the children were amazing. They worked fantastically as a team, pushed themselves to try new and exciting things and showed respect and maturity at every turn. We are so proud of them and hope that they had as good a time as we did.

### Inter-house Dodgeball

### Football Success

On Tuesday some of the pupils in Class 4 went to Arkholme for the inter schools Lune Valley football tournament. The selected squad was Isla, Hilb, Izzy, Max, Euan, Harrison, Lucie, Evie, Bobbie and Ollie. They all performed admirably (especially the writers of this report!).

On Wednesday, there was big news in the sporting world! The Olympic Torch was lit and began its 3 month journey to Paris. Even bigger news was that here, at Caton, it was our inter-house dodgeball competition and if dodgeball was an olympic sport we would certainly have some medalists! Well done to everyone involved; we saw some great dodges, catches, and most importantly, excellent sportsmanship throughout the whole day!

- 4th - Yellow
- 3rd - Blue
- 2nd - Red
- 1st - Green

Our first fixture was against Wray. Things looked morose when in the first few passes of the opposition's kick-off they scored an admirable chip goal. There were many amazing individual performances but the one that comes to the forefront of my mind is Lucie's performance at centre back, diving and sprinting to let absolutely no loose balls through with some very energetic tackles (perhaps TOO energetic ) and endless running. Lucie led the defence excellently. Our hero of the match was Max who was constantly testing opponents' defensive capabilities. He kept probing the defence until he finally found a chink in the armour and he managed to score 2 wonderful goals; one was a belter from range and the other a perfectly calculated curled corner shot.

**Final score: CPS 2 Wray 1**

Our hopes were high as we headed into the next match but we didn't get the result we wanted. Bobbie scored a volley from a yard out, but then Quernmore were awarded a penalty. Euan failed to save it with Quernmore putting it in the back of the net.

**Final score: CPS 1 Quernmore 1**

Then in our next match we played Caton St Paul's. In this match it was nil nil but then Hlib managed to put the ball in the back of the net from just outside the box. I (Euan) was in net for this match and we conceded a free kick from a tactical foul just outside of the box. Just as he shot the ball, I

dived to my left and made a wonderful save as the ball flew over the wall (if I do say so myself). Next up was our counter attack which gave the left post a haircut! We conceded another corner and I had to punch it out of range. Throughout the game Hlib was running the opposition ragged, getting on the end of my perfectly weighted long balls. It was a magnificent performance and he was a true credit to the position of striker.

**Final score: CPS 1 Caton St Paul's 0**

In the fourth match against Over Kellet, despite another brilliant effort we failed to score any goals, but we managed a valiant defence and prevented our opponents from scoring either.

**Final score: CPS 0 Over Kellet 0**

In the final match, we were against Hornby, fighting for the third place medals. At the start of the match, we were strong, got first kickoff and in a couple of passes we had already advanced onto our opponents' goal. Max had the first shot of the match but sadly the goalie managed to save it, then Hornby had a strong shot at our goalie (Bobbie). Thankfully he managed to save it and then after that shot, I (Harrison) was pushed over therefore giving us a free kick. I then had a shot at the net but sadly did not get it in, then after 3 minutes of that on repeat, it went to penalty shoot outs. The first shot was against us and sadly Hornby put it in the back of the net leaving Bobbie stunned, then on our shot with Max we unfortunately missed, but broke the net's crossbar! On their next shot they scored again but then after that Isla O put it away. Hornby's next shot went in. Then our next shot was from Hlib who thundered the back of the net and put it away with a ton of power. After that a lot of penalties were missed including Euan's and Harrison's which shaved the crossbar. In the end, it came down to the goalies taking penalties but their keeper missed so all the responsibility was on our keeper's (Bobbie's) shoulders. He squared up to take it AND SCORED! Giving us our best performance in the school football tournament in living memory.

**Final result: Bronze medallists**
