CATON GALA

Thank you to everyone who has signed up to attend Caton Gala. We have started to practise our song that we will be singing alongside St Paul's. If you haven't signed your child up to sing, it's not too late.

Reception

Reception class have been enjoying the spell of dry weather and have made the most of their fantastic outdoor learning area this week. The large sandpit has been a hive of activity with all manner of creations from volcanoes complete with lava (AKA red paint!) to river

systems. In the mud kitchen the children have been cooking up a variety of meals complete with scented herbs from our potted herb garden. Another popular activity was 'water phonics' which involved squirting water from a syringe at the target words for the week.

Alongside their learning outside, the children have been finding out about real life superheroes and thinking about what jobs they might like to do when they are 'grown up'.

Hand Hygiene

On Thursday, Class 3 and 4 were extremely lucky to have a visit from the Health Protection Service to learn all about hand hygiene. We learnt how to properly wash our hands, the causes of sickness bugs, how important it is to catch a sneeze, and just how easy it is to pass on germs via a hand shake!

Class 3's Roman Assembly

On Friday, Class 3 put on an excellent assembly. They shared everything that they had learnt about the Roman invasion of Britain, including key dates, Boudicca's rebellion, how the Romans developed trade and the technological advances that they introduced. They performed some excellent songs and did a fantastic job speaking loudly and clearly in front of an audience. Well done, Class 3!

DIARY OF EVENTS - 2023/2024
