## Eco-Committee - our action plan

This week, the Eco-committee developed our action plan. We decided our three main targets and the actions that we must take in order to achieve them. Our daily action involves turning off all unnecessary uses of power. We are also currently planning our whole-school assembly that we will deliver within the next few weeks.

Target	Action
To save energy around the school.	Turn off lights and put screens on standby mode every lunchtime.
Make all children aware of the importance of saving energy and recycling.	Deliver a whole school assembly.
Contribute to making the world pollution free.	Organise a beach/river clean up.
To grow our own food. To make a pollinator friendly environment.	<ul style="list-style-type: none"> <li>- To weed the flower beds.</li> <li>- To plant new seeds.</li> <li>- To look after the flower beds.</li> <li>- To harvest any plants/food.</li> </ul>

Remember, you can help the planet by turning electrical items off standby mode, recycling and reusing materials where you can.

## PTA School Disco

Our brilliant PTA are holding a disco on Thursday 13th February, straight from school, at 3.30 until 4.30. Tickets are priced at just £2.50 which includes a snack of popcorn or crisps and a drink, with all proceeds going towards PTA projects. Children can bring their party outfit to get changed into at the end of the day and

### Attendance

Our school target for attendance this year is 96%. Below is the attendance for each class so far this year.

We understand that due to the time of year, there are a lot of bugs around that may mean that your child needs to stay at home, but please do your best to support your child with their school attendance and where possible book medical and dental appointments outside of school hours.

Reception:	98.79%	↓
Year 1:	93.75%	↓
Year 2:	96.25%	↓
Year 3:	97.60%	↑
Year 4:	97.17%	↑
Year 5:	89.37%	↓
Year 6:	97.67%	↑

Well done to classes 3, 4 and 6 this week for improving their percentage attendance!

parents can enjoy an extra hour at home, as children will be taken across to the sports hall from school and will not need to be collected until 4.30pm if they are attending. If your child is attending after school club on the 13th and has purchased a ticket we will take them across to the hall. If they are attending the full session, they will join ASC at 4.30. Children without a ticket will attend ASC as usual with Mr Day.

### Performing Arts Day

Six of our oldest pupils had the most amazing day of musical theatre, song and dance today as part of the Lune Valley performing arts day at the Victoria Institute. They learnt to dance to 'Step in Time', sing 'A Spoonful of Sugar' in harmony and perform 'Supercalifragilistic' with Lisa O'Hare, who played the title role of Mary Poppins in the London West End production. What a treat! The children took part with great enthusiasm and were wonderful representatives of our school.
