

25th February 2025

Dear All,

We are writing to inform you of some proposed changes that are taking place at our school. As you will be aware, Infinity Pre School has operated on our site for several years and is planning to move to another venue in Halton. The school is now consulting on plans to run its own nursery provision.

The provision will be managed as part of the school and run under Section 27 of the Education Act. The governing body will use its community facility powers, enabling us to provide any charitable purpose (such as early education) for the benefit of families of pupils at the school, or families who live or work in the locality of the school.

We will initially have seven places per session. Our pre-school provision will be led by our Early Years teacher with additional support, according to necessary adult to child ratios. The pre-school will continue to be based in the same classroom with access to a range of resources and the wonderful outdoor space.

By planning to open in September, we are ensuring that there will be no gap in provision on our site for local and existing families. It is a very exciting time for the local community as we can offer provision of the highest quality with plans for wraparound care.

The consultation period will close on 25th March 2025 so please feel free to contact school before this point should you have any comments or require any further information.

Many thanks.
