Eco-committee update

While the skies were blue, the eco-committee seized the opportunity to begin preparing the raised beds ready for Spring sowing. We are aiming to grow fruit and vegetables that can be used around school and help us reduce the carbon footprint of some of our mealtimes. The group worked together to weed the raised beds and make sure that anything removed was placed into composting.

Attendance

Our school target for attendance this year is 96%. Below is the attendance for each class so far this year.

We understand that due to the time of year, there are a lot of bugs around that may mean that your child needs to stay at home, but please do your best to support your child with their school attendance and where possible book medical and dental appointments outside of school hours.

Reception:	98.93%	↑
Year 1:	93.94%	↑
Year 2:	96.53%	↑
Year 3:	96.91%	↓
Year 4:	96.53%	↑
Year 5:	96.34%	↓
Year 6:	97.96%	↑

Well done, nearly every class has managed to make it to the halfway point of the year with their attendance above target! We handed out over 50 certificates today to pupils whose attendance for the spring 1 half term was above 96%!

PTA Disco

Thank you to the PTA for organising our wonderful whole school disco yesterday. The children had a great time and the event raised over £140!

PTA Clothing Collection

All children will be sent home today with a collection bag to raise money for both the PTA and Leukemia & Myeloma Research. Please see the flier on the school app (message sent this morning) or on the entrance doors to the school for details of what can and cannot be donated. Please only include clean wearable/usable items. If you wouldn't wear it don't include it!

The collection date is Thursday 6th March

Maths Workshop

Thank you to those who have already signed up for the parents maths workshop on the 26th February 5:30-6:45pm. If you haven't managed to confirm your attendance through the form on the app, don't worry there is still time over the half term break.

Happy Half Term

And finally... it's so long for now from the Caton Chronicle, but don't worry as you can stay updated via Facebook, ParentApp communications and content, and soon through a Facebook feed that we hope to place on each of the class pages on the school website. This feed will allow us to share with you not just photographs of the children and their time at our school, but also means that we can share videos and sound clips too!

We are working hard to ensure that all our families will be kept up to date going forward, so please bear with us as we put these new plans into practice.

Wishing all our families a happy and healthy half term break. We will see you all when we return on Monday 24th February at 8:45am.
